Kantech

Product Lifecycle Notification

Date: September 30, 2022

Region: Global

Product: KT-300 Controller, Kits, and Accessories

Brand: Kantech

Kantech has announced the **End of Manufacturing and Sales Life** for the KT-300/128, KT-300/512, KT-300PCB128, KT-300PCB512, KT-300 Starter Kits, KT-300 Expansion kits, and KT-300 multi-door kits effective immediately. To better serve our customers and end users the update to our 2-door controller was needed to keep up with today's technology. At Kantech we strive to bring software and hardware to the market that is current and relevant to today's world. Kantech will continue to support and warranty the KT-300

We apologize for any inconvenience that this may cause; however, in our continuing efforts to bring more advanced, integrated security solutions that enhance the customer experience and enable our customers to expand their businesses, Kantech will be releasing a new generation 2 door controller, KT-2. Please see the following pages for direct replacement.

For any questions regarding this announcement, please contact your local Kantech sales representative, visit www.kantech.com, or call 1(888)-KANTECH.

Also register for Kantech's support Portal for software registrations, company news, live chat, video libraries and more at https://support.kantech.com/

Sincerely,

Jason Edler
